January 07, 2009 - Front Section

We are proud to offer the readers of the N.E. and N.Y. Real Estate Journals and the visitors of rejournal.com, nerej.com and nyrej.com this unique opportunity to read the first ten chapters of "The Alphabet to Successfully Selling Yourself and Ideas", a life changing book written by our founder Roland Hopkins, free of charge, courtesy of Mr. Hopkins and rejournal.com.

The Alphabet to Successfully Selling Yourself & Ideas is guaranteed to change your life before you reach Z. Mental health specialists agree that the anxiety of rejection is the #1 problem plaguing the average individual. This user-friendly book is designed to end that fear, as simple as your ABCs.

Hundreds of sales books have been written, some reaching the top of the best seller list. Why possibly is there room for one more? Because this one is the same, but different, and easier to digest for not only salespeople, but everyone else - including you.

To start reading the first ten chapters of this inspiring, motivational book go to rejournal.com/abc and click on the picture of the books cover to access the first ten chapters in an easy to read PDF format. If you are unable to open PDF documents you may need to download Adobe Reader via: <http://www.adobe.com/products/acrobat/readstep2.html>.

After you finish reading you will have the option to purchase the official paperback edition of "The Alphabet to Successfully Selling Yourself and Ideas" directly through our websites nerej.com/shop/view/2 or nyrej.com/shop/view/2.
