January 22, 2009 - Front Section

Cobb Hill Construction, Inc. will be exhibiting at the Yankee Dental Congress 34 at the Boston Convention Center January 29th - 31st. Cobb Hill will be the sole construction company exhibiting at the show which is expecting over 24,000 dental professionals.

Yankee Dental Congress (YDC) is an annual conference and exposition that caters to the New England dental profession. The show is sponsored by the Mass. Dental Society.

By mastering dental-specific services such as integrating medical equipment, adhering to the time sensitivity of the jobs, and ensuring the comfort of patients during and after construction, Cobb Hill has developed its dental construction business as one of its largest and most demanding industries.

"Dental construction has truly become a niche market for Cobb Hill, and we are pleased to have the opportunity to meet some of the region's best in the dental profession as an exhibitor at the Yankee Dental Congress 34," said Jerry Kingwill, principal of Cobb Hill.
