ASM scholarship applications available online

January 22, 2009 - Construction Design & Engineering

In 2009, ASM will once again award three \$2,000 scholarships, funded by proceeds from our annual golf tournament. The scholarships are based on merit, and are available to any employee or immediate family member from an ASM member company who is an entering freshman or returning student in a 4-year accredited college or university.

Applications are available from the ASM website, www.associatedsubs.com.

Deadline is March 1, and the scholarships will be awarded at the golf tournament in June.
