Boston Cleaning launches website bostoncleaningcompanyinc.com

January 28, 2009 - Front Section

Boston Cleaning Company, Inc. has launched its new website www.bostoncleaningcompanyinc.com featuring a new Green Cleaning section.

In an effort to help you protect the environment and receive valuable LEED certification points, Boston Cleaning Co. provides the following services:

- *Institute the use of environmentally-preferable and/or biobased and reduce-risk cleaning chemicals
- *Install and use a closed loop chemical management dispensing system, minimizing human exposure
- *Use concentrated cleaning chemicals, and dilute accurately via a chemical management system
- *Institute the use of environmentally-preferable paper products throughout the facility
- *Institute the use of environmentally-preferable plastic refuse bags
- *Install walk-off mats at entry-ways
- *Use micro-fiber mops and cloths
- *Use energy-efficient vacuums with filters
- *Utilize a chemical management software program to manage, monitor and supply documentation

Boston Cleaning is a fully insured, comprehensive janitorial service company and a family owned and operated business since 1975.

Clients include Hamilton Realty Co., American Properties Team, Cummings Props., The Flatley Co. and G.E. Capital Corp.
