Fredette of SFC Engineering named Joint Engineering Societies Engineer of the Year

February 04, 2009 - Northern New England

George Fredette, PE, principal of SFC Engineering Partnership, Inc., (SFC) is the 2009 recipient of the Joint Engineering Societies Engineer of the Year Award.

The Engineer of the Year Award and Young Engineer of the Year Award are the highest awards given to individuals by the New Hampshire Engineering Societies. Each award is presented to an engineer who has made outstanding contributions to the engineering profession, the public welfare and humankind. Fredette's history of professional achievements, volunteer activities, and commitment to family and community earned him this prestigious award.

Awards will be presented at the NH Engineers Week Annual Banquet, February 19, at the Center of New Hampshire, Manchester.
