Donohue and McCarthy of CBRE's Stamford office named top male executives of Westchester

February 04, 2009 - Connecticut

Timothy Donohue and Kevin McCarthy, senior associates of CB Richard Ellis' Stamford office, were named as top Male Executives of Westchester by the Westchester County Business Journal. Donohue and McCarthy were honored among a select group of young professionals for their embodiment of the diverse culture, energy, drive and entrepreneurial spirit.

As life-long residents of White Plains, McCarthy and Donohue are active members of their community. In their spare time, they volunteer for numerous non-profit, community and educational groups.

"Kevin and I strongly believe in standing by our community and making a difference," said Donohue. "Working with young people to encourage their development of pride and self-awareness is a wonderful and rewarding experience. We would like to thank the Westchester County Business Journal for their gracious recognition."
