RCA Business Profiles: Pennoni Associates Inc.

February 12, 2009 - Spotlights

Name of Company: Pennoni Associates Inc.

Location: 100 Burtt Rd, Suite 120, Andover, Ma 01810

Services: Environmental engineering, storage tank services, civil/site design, transportation engineering, municipal engineering, inspections and testing services, building systems engineering

Year founded: 1966

Founder: Charles Pennoni

Recent accomplishments: Pennoni Associates Inc. was recognized by the ACEC of Mass. for its contributions to the 2008 Silver Award Winner Brownfields Redevelopment Project of the Home Depot Site in Chelsea, Mass. for the ACEC Mass. Engineering Excellence Awards. Pennoni provided The Home Depot with key environmental services instrumental to the redevelopment of a run-down contaminated parcel. From initial site investigation through construction of the new retail building, the work was performed to meet the project's regulatory, engineering, and community needs. Pennoni has been designated by the Mass. State Fire Marshal's office as an authorized representative to perform the recently required Third Party Tank Testing inspections.
