Sullivan Const. building 11,000 s/f for Summit Land Dev.; Centrix Bank tenant

April 01, 2009 - Northern New England

Sullivan Construction Inc. is completing the steel erection for the 11,000 s/f, three story brick-faced building for Summit Land Development. The first floor of the structure will be serve as a new full service branch location for Centrix Bank. Eight apartments will occupy the second and third floors.

Located on the corner of Fifth St. and Central Ave, the Centrix Bank area will feature energy efficient store front windows and cherry woodwork and will have five offices, three work stations, a conference room and an employee break area. The bank will feature both walk-up and drive though banking services.

As well as coordinating with the building owner and design teams, Sullivan Const. is also providing all construction services for the project.
