Hollander of Coldwell Banker sells 130 Myrtle St. for \$2.65 million

December 29, 2007 - Spotlights

Richard Hollander of Coldwell Banker Residential Brokerage completed the sale of 130 Myrtle St. for \$2.65 million. The property is a 6,500 s/f nine-unit multifamily apartment building in the Beacon Hill neighborhood.

The combination of location and an unusually large foot print for an apartment building on Beacon Hill are some of the reasons the building commanded such a high price per s/f.
