Acadia Insurance presents another "big check" to ASM members

April 15, 2009 - Construction Design & Engineering

For the third year in a row, Acadia Insurance has declared dividends for ASM members enrolled in our sponsored group insurance program, thanks to the strong performance of the program and low loss ratios each year. Recently the Company presented a ceremonial "big check" totaling more than \$700,000 for the 2006 and 2007 policy years, which was shared by approximately 100 members who were enrolled in the program during that time. Many members received checks for both years, for an average cash back of nearly \$8,000 each!

At ASM we are very pleased to be able to provide this exceptional benefit program for ASM members, in partnership with a top-rated carrier like Acadia Insurance. The Program covers all commercial lines and is available through the sponsoring broker, Mazonson Inc., or through any Acadia agent statewide. We encourage subcontractors to consider the program when your policy is up for renewal.
