TRB Development begins renovation project for Elliot Family Medicine

April 21, 2009 - Retail

TRB Development Group, Inc., general contractor and design builder in Hooksett, has begun a design build addition and renovation project for Elliot Family Medicine at Glen Lake to accommodate the expansion of the growing medical practice. Elliot Family Medicine is located on Mast Rd.

The addition includes neighboring space formerly occupied by an optometrist to create three new exam rooms. In addition, TRB will rearrange the waiting room, registration, and checkout areas. The six-week project is scheduled for completion by the end of April.
