New England SIOR chapter launches its website; siorne.com

April 21, 2009 - Spotlights

The New England chapter has its first website. The website is located at www.siorne.com and is of great quality and information. The website includes the history of SIOR, information about the New England Chapter, its officers and committees, the RW Holmes Scholarship Fund, a photo gallery, a roster of Chapter members, an application page for interested brokers wanting to earn the SIOR designation, a link to the SIOR National website, information on past scholarship recipients, a Chapter calendar of events, a list of past chapter speakers and the SIOR Code of Ethics.

Now any SIOR chapter member can immediately review the chapter calendar for upcoming events, quickly review the most recent officers and committee chairs or refer clients to the website so that they can better understand the value of the SIOR designation.
