Flynn Const. builds 6,400 s/f truck/office facility for Dumpster Depot

April 29, 2009 - Northern New England

Dumpster Depot has relocated from Andover to an expanded new facility on Scotch Pine Rd. off Rte. 4 at the Concord/Canterbury line.

Flynn Construction Corp. of Nashua teamed with JFE Transport, LLC to build the \$475,000 facility and install energy efficiency measures that include state of the art fluorescent lighting and infrared heat.

Construction is complete of a 6,400 s/f truck and office facility. This new facility will streamline operations to serve the surrounding communities.
