April 29, 2009 - Northern New England

According to Jeff Nick, president of NAI J.L. Davis Realty, the United States Citizenship and Immigration Services will take occupancy of its new 25,450 s/f building at 225 Harvest Lane in June. The building has been designed by Wiemann*Lamphere Architects as a LEED-certified project. Nick said "The USCIS will consolidate several offices under one roof, which means a more efficient operation."

Taft Corners Associates (TCA) is the landlord for the building, and DEW Construction of Williston is the contractor. NAI J.L. Davis Realty represented TCA.
