Stevens of Jewett Construction Co., Inc. completes USGBC LEED-AP certification

May 13, 2009 - Front Section

Gary Stevens, a project manager for Jewett Construction Co., Inc. was recently certified by the U.S. Green Building Council (USGBC) as a Leadership in Energy and Environmental Design Accredited Professional (LEED AP). Stevens is the third of Jewett's personnel to achieve the LEED AP certification. He joins teammates James "Randy" Overbey, and Rob Secinaro, making Jewett's entire project management staff LEED certified. This prestigious certification was obtained to help position Jewett Construction to achieve one of its goals of promoting design and construction of eco-friendly buildings and sites.

The USGBC is the nation's foremost coalition of leaders from every sector of the building industry working to promote buildings that are environmentally responsible, profitable and healthy places to live and work.

Jewett Construction is a design-build/construction management firm specializing in commercial and industrial projects throughout New England.

Jewett's clients include Northeast Credit Union, SIGSAUER, Team Nissan, Exeter Hospital and Manchester Community College.
