Acadia Insurance presents check to ASM members

May 13, 2009 - Construction Design & Engineering

Acadia Insurance presents another "Big Check" to ASM members! For the third year in a row, Acadia has declared dividends for ASM members enrolled in our sponsored insurance program - a testament to the program's strong performance and low loss ratios year after year. In February, over 100 members shared in dividends totaling more than \$700,000 for 2006 and 2007 - receiving an average of nearly \$7,000 each!
