Flynn Construction begins construction on Ciardelli Fuel Co. facility

May 28, 2009 - Front Section

Flynn Construction Corp. has begun construction of the new facility for "Ciardelli Fuel Co." on Nashua St., east of downtown.

The foundation work started on April 20th. The 7,800 s/f steel and concrete building will house the delivery trucks required to service the surrounding communities. This new facility will enable the owners to continue their on-going effort in conforming with today's standards of clean environmental practices.

An early summer completion is expected.

Flynn Construction Corp. is a full service design/build general contractor serving all of N.H. specializing in commercial and industrial new construction and renovation. They are a member of the Green Building Council focusing on energy efficient steel building and masonry structures.
