Jewett Const. awarded Highland Goffe's Falls Elementary School renovation project

June 17, 2009 - Construction Design & Engineering

Jewett Construction Co., Inc. has recently been awarded a contract by the city to perform work at the Highland Goffe's Falls Elementary School, located at 2021 Goffe's Falls Rd.

Construction will run from this month through mid August; Jewett and its subcontractors will meet the challenge of the short timeline through the utilization of long workdays, afterhours work, and extended work weeks. Work will include the conversion of open concept classrooms into individual spaces with new millwork and classroom equipment. The existing HVAC system will be upgraded, and new lighting, acoustical ceilings, and fire sprinklers will be installed. Fresh paint and two new stair towers will complete the renovations.

Key subcontractors working with Jewett on this project include AA& D Masonry, LLC, Manchester; American Concrete, Kingston; Amsco, Inc., Londonderry; Blue Dot Glass, LLC, Hooksett; Boucher Acoustic Contractor, Inc., Manchester; DiFava Fire Protection, Inc., Derry; EnviroVantage, Epping; Granite State Plumbing & Heating, LLC, Weare; Interstate Electrical Services, Bedford; Jutras Signs, Manchester; Kamco Supply, Londonderry; New England Interior Specialties, Norfolk, MA; Northeast Drywall Systems, Inc., Manchester; Palace Construction, Litchfield; R.
