Bufftree Building Co. completes Shaw's makeover in Fairhaven

June 24, 2009 - Retail

Thanks to the interior remodeling project that Bufftree Building Company has just completed in the Shaw's Supermarkets Fairhaven location at 11 Berdon Way, families are discovering the benefits of shopping in a store that has been redesigned for their comfort. The store has new features that accommodate today's busy lifestyles.

"We're happy to have been able to partner with Shaw's Supermarkets once again," said Gary Laboa, Bufftree's project specialist. "The store has a whole new interior look, and the departments and main sales area have equipment and merchandising upgrades to give the customer a better shopping experience." The architect for the project was Yarosh Architects of Mashpee.
