Riess Const. adds 40 ton hydraulic truck crane to equipment fleet

November 19, 2007 - Northern New England

Riess Construction has added a 2000 TMS 540, 40 ton hydraulic truck crane to its equipment fleet. With job sites statewide, upgrading gives them flexibility in scheduling, increases efficiency and safety control.

Riess's crane was most recently seen in Plymouth at one of their jobsites erecting a steel building for the new Plymouth Commerce Park, located at the corner of Tenney Mountain Highway and Yeaton Rd. Riess utilizes the crane on both its metal building and wood projects.
