Beck joins Redstone's management team as property/asset manager

June 30, 2009 - Owners Developers & Managers

According to Redstone, a full service commercial real estate leader, Gail Beck has joined the company as the property/asset manager to the Redstone property management team.

Beck has over 20 years of professional experience in both property and asset management. She is responsible for the extensive portfolio of properties that Redstone manages which range from residential to multi-tenant commercial properties through out the state.
