November 19, 2007 - Northern New England

Bruce Waters, CCIM, senior associate/broker for McLaughry Commercial, negotiated the lease signing for 1,500 s/f to Vermont Center for Ecostudies.

The new office is located on the upper level of the Miller and Candon Office Building at the corner of Rte. 5 and Palmer Court.

Waters said, "The facility offered private office space, converted to larger group areas and with easy access and amenities for staff and visitors. It was a good fit for the tenant's program."

McLaughry Comm'l. represented the landlord and assisted the tenant.
