Exterior Designs renovates exterior of 1415 Elm St.

July 01, 2009 - Northern New England

Exterior Designs, Inc. was selected to renovate the exterior of the Granite State Credit Union located at 1415 Elm St. JBR Construction and individuals at Granite State Credit Union made the decision to use Exterior Designs, Inc. for the renovation.

The project entails demolition of the existing cladding (by others), furring/sheathing of existing walls, framing/sheathing new parapets and pilasters, and the installation of new Stucco (STO/EIFS) and Thin Brick.

The new cladding materials are very complimentary to each other. This blend of materials and design fit well with the north end of the city.

Exterior Designs, Inc. specializes in exterior cladding and renovation. "Building renovations are our specialty, the satisfaction of re-creating a new look on an older looking building is very rewarding" said Mike Dion, president, of Exterior Designs, Inc.
