Attention all financial institutions and mortgage brokers, get listed!

November 28, 2007 - Front Section

Find Financing Fast, the convenient, user friendly section of our website connects potential borrowers with financial institutions and mortgage brokers that can provide the correct financing to meet their needs. If you have a company that provides financing, or work for one, and would like the company to be included in the finance seekers list of results just type the following link into your browser - <http://www.rejournal.com/mortgage.aspx> - and fill out the Find Financing enrollment form. You will be found by finance seekers based on the information provided in the form. There is no charge to you but a moment to fill in the form. This is just one of the many free services offered by ReJournal.com.

You can access the Finance section from the links in the top left corner of the NE, NY and NJ/PA Homepages and also from the "Find Financing" link in the "Properties" tab in the dropdown menu at the top of every page on the site.

The goal of this important section of our website is to provide a convenient way of connecting potential borrowers with potential lenders thus giving the users of our website an easy way to find the financing they seek, and generating leads, new business and traffic to all the financial institutions and mortgage brokers who have enrolled in the section.

Don't miss out on this opportunity, get your financial company listed today to start receiving solid leads and be seen by the 27,000 + monthly visitors that browse the pages of our website.

In addition to the free listing and premium details page you receive by enrolling in the finance section, you will also receive two free banner ads, one small banner and one full size web banner, to be displayed randomly in rotation throughout the majority of the pages of our website.
