## **L/R Construction [www.Irconstruction.net](http://www.Irconstruction.net)**

July 14, 2009 - Construction Design & Engineering

L/R Construction is a young, dynamic company staffed by construction professionals experienced in the commercial, industrial and institutional projects. We have demonstrated experience and flexibility in the following delivery systems:

- \* General contractor
- \* Design builder
- \* Construction manager

This flexibility allows you, the client, to choose the best program based on your needs and your projects specific drivers.

L/R Construction prides itself on repeat business due to quality, integrity, excellent service and an honest profit. Our in-house workforce capabilities are in demolition, carpentry, millwork, masonry and concrete work.
