Governor Patrick attends high speed rail roundtable

July 15, 2009 - Front Section

Governor Deval Patrick joined Vice President Biden, transportation secretary LaHood and other state leaders in a High Speed Rail roundtable to share ideas and discuss the process of applying for a share of \$8 billion in American Recovery and Reinvestment Act funds set aside for high-speed passenger rail projects.

The Mass. Smart Growth Alliance applauds governor Patrick for attending the roundtable and urges state officials to continue to aggressively pursue funding that will help make Mass. a leader in 21st century transportation innovations.
