R J O'Connell & Associates Inc., Civil Engineers & Land Planners, was founded in March of 2004 under the leadership of Rich O'Connell. Together with Brian Dundon and Brian McCarthy, the founding principals, there is over 65 years of experience in the field of civil engineering specializing in the design and permitting of land development projects. Each principal has a distinguished track record of providing their clients with the highest quality of services and are actively involved in each project to ensure client expectations are being achieved. Based on client growth and requests, in June of 2008 RJOC took its next step in the continuation of exceptional client service and opened a new office in Orlando, Florida.
