July 28, 2009 - Green Buildings

Name: Sam Moores, LEED AP

Title: Job Captain

Company: Stephen J. Wessling Architects, Inc.

Location: Quincy, MA

Place of Birth and Year:

Weymouth, Mass. 1981

Family: Married

College: Wentworth Inst. of Tech

First job unrelated to your current field: College Tour Guide

First job in current field: Carpenter/laborer

What your firm does now and its plans for the future: Wessling Architects is a full service architectural firm with a broad level of experience in architecture, interior design, restoration and professional services. Wessling Architects will continue to enhance its services and improve efficiencies through ongoing refinement of its integrated design process, investments in employees and technology while improving the quality of life and environment through support and involvement in community services and organizations.

Hobbies: Woodworking, carpentry, kayaking, golfing

Keys to success: Obtain LEED AP certification to expand role and expertise in the area of environmental stewardship. Having the confidence to take charge. Knowing what you don't know.

Developing knowledge to problem solve

Person(s) you most admire: (outside of family) Pierre Koenig

If you had to choose a different profession, what would it be: Woodworker
