Company Profile - Nexamp

July 28, 2009 - Green Buildings

Nexamp is a full service clean energy solutions company. Nexamp analyzes, designs, finances, builds and maintains clean energy projects that reduce energy costs and carbon emissions for businesses, governments, and homeowners. Our solutions include renewable energy, energy efficiency, and energy management. Nexamp combines energy project construction experience with expertise in energy technology, markets, finance, and policy to make clean energy simple and profitable for our clients.

Nexamp delivers measurable energy savings, carbon reduction and attractive returns on investment to our clients.
