August 04, 2009 - Northern New England

CCB, Inc. provides expertly managed construction services to business and industry. For 63 years CCB has successfully met its clients' changing needs, as we continue to do today. Safety, quality, reliability and total customer satisfaction are the values to which we are dedicated.

Our vision for CCB, Inc. is to improve our teamwork both internally and externally through partnering relationships with the trades, our subcontractors and our customers. We will increase our volume of sales with existing clients and seek diversified work in new markets. We will continue to adapt to our industry's changing needs, maintain a highly trained work force and use the best and most efficient construction methods available.
