Cutler Assocs. hires Stephens to lead healthcare market

August 18, 2009 - Construction Design & Engineering

Cutler Associates, a design and construction firm has recently named Robert Stephens as director of business development, healthcare. His appointment supports the company's strategic initiative to augment the services it provides to healthcare industry clients.

Stephens has more than 20 years of experience marketing and selling design and construction services. Prior to joining Cutler, he served in a similar role with the Marshall Erdman Co., a premier design-builder of medical office buildings.

"Bob brings new capability and relationships to Cutler Associates in this important market," said Ed O'Brien, executive vice president of Cutler.

Cutler has serviced healthcare clients for more than 25 years, providing integrated design and construction solutions for medical office, hospitals, ambulatory care, laboratories, hospice, and senior living clients. The company is currently completing an Urgent Care Center renovation project for Fallon Clinic in Shrewsbury, Mass.

Cutler Associates, established in 1972, is a planning, architecture, and construction firm specializing in integrated project solutions for corporate industrial, scholastic, senior living, and healthcare clients. The firm has offices in Allentown, Pennsylvania; Worcester, Massachusetts; and Tampa, Florida.
