## **Company Profiles Wrenn Construction Services, Inc. [www.wrenn.com](http://www.wrenn.com)**

August 18, 2009 - Construction Design & Engineering

Understanding their customer's needs, seeing the full scope of the project from its inception, and communicating the necessary information to all of the team members builds a strong foundation for success for clients' projects and for all the members of the construction team. At Wrenn, integrity drives them to insist on quality of service from their project team members, including the owners, the architect, and their own staff.
