August 18, 2009 - Construction Design & Engineering

Vareika Construction, Inc. is a full service general contractor performing new construction and renovation work on residential and commercial buildings for both the public and private construction market.

Established in 1986, the company has steadily grown and evolved due, in fact, to the quality of their workmanship, skilled labor force, closely allied specialty subcontractors, and the responsible, professional managing of all projects.

Vareika Construction is pre-qualified by the Commonwealth of Massachusetts Division of Capitol Asset Management in the following categories: General building construction, historical building restoration and green building.
