TRB Development begins gut and fit up of 25,000 s/f retail bldg. in Brighton

August 25, 2009 - Retail

TRB Development Group, Inc., general contractor from Hooksett, N.H., has begun a complete gut and fit-up of a 25,000 s/f existing retail building at 2078 Market St. The renovated building will house a CVS Pharmacy and an additional tenant. The exterior will be masonry split-faced block and CVS red brick over the existing wood frame and Werzalit siding with PVC trim. There will be one pharmacy drive-thru and two grocery store style checkout aisles instead of the standard counter checkout. The store is scheduled for an early October opening.

The project was designed by BKA Architects of Brockton.
