BKA Architects provided the architectural and interior design services, and J. Calnan & Associates, Inc. was responsible for the construction.

The third, 30,000 s/f office building of the Canpro Lakeville Corporate Park completed in 2008 has been a successful development for Canpro.

The GSA has a ten-year lease with two five-year options for renewal.

Utilizing the design services of BKA Architects and Avid Engineers, a design for the new space was developed that would meet the client's many requirements.
