Advantage Const. to renovate Charlie's Toyota

October 01, 2009 - Northern New England

Advantage Construction has been awarded the renovation project for Charlie's Toyota on Western Ave. These renovations will bring Charlie's to compliance with Toyota's Image USA II certification. James Mullarkey from the Curtis Architectural Group is the architect. Construction is scheduled to be complete in mid November.

The exterior renovations will include the installation of a new façade constructed of Toyota's silver and red ACM panels on the front and sides of the dealership.

Additionally, a 1,000 s/f Novum wall will be installed which will include the dealer logo and be illuminated from the interior of the structure. An enclosed new car delivery will also be constructed. The 3,500 s/f showroom will be fully tiled and include a new owner's office in the rear.
