Todd Fratzel 2009

October 01, 2009 - Northern New England

Name: Todd Fratzel

Title: Principal Engineer

Company: United Construction Corp.

Location: Newport, NH

Place of birth and year: Claremont, NH - 1972

College: BS in civil engineering - University of New Hampshire; MS in structural engineering - University of New Hampshire

First job unrelated to your current field: I've been employed in the construction and engineering field for my entire career.

First job in current field: Summer internship with the New Hampshire Department of Transportation.

What your firm does now and its plans for the future: United Construction, founded in 1960, has offices in NH and VT and focuses on civil-site construction, design-build and real estate projects in New England. Continued growth of our design-build services and real estate development projects.

Hobbies: Writing articles and product reviews for my construction related blogs.

Keys to success: Creativity and the ability to think outside the box.

Person(s) you most admire (outside of family): John Roebling
