Meet the RIBA member - John Brooks

October 06, 2009 - Rhode Island

John Brooks, president, of Advanced Building Concepts, began his career in construction in 1975, after a few years, in 1979 he established a residential building construction company. Over the years building a trustworthy reputation the construction company has grown to what it is now, a full service construction services firm. Repeatedly delivering construction projects on time and on budget we maintain the reputation that made us a successful construction firm.
