Middlesex Community College now offering eight new green energy and energy efficiency courses

October 07, 2009 - Front Section

Eight new noncredit green energy and energy efficiency courses are now offered at Middlesex Community College. Learn the skills you need to get a job in this emerging and expanding field.

The courses include:

- *Introduction to Environmental Management Systems;
- *Energy Auditing Training; Principles of Green Buildings;
- *Introduction to Photovoltaic Systems;
- *LEED Green Associate Preparation;
- *LEED Building Design & Construction Preparation;
- *Introduction to Solar Thermal Systems; and
- *Renewable Energy.
