Company Profiles - The Gutierrez Company

October 20, 2009 - Green Buildings

Incorporated in 1978, The Gutierrez Company provides a full range of real estate development services including site selection, financing, master planning, design coordination, project management and supervision, and property management. Through our wholly-owned subsidiary, Gutierrez Construction Co., Inc., we also provide complete, pre-construction consulting, construction management, and general contracting services.

The Gutierrez Co. has developed over 9 million s/f of office, office/R & D, retail, residential, and industrial space in suburban Boston and southern New Hampshire for various regional, national, and international clients and tenants. We currently own and manage a building portfolio of over 4 million s/f of space. Additionally, the company controls and/or owns land to develop an additional 10 million s/f of space.
